

# Short-Term Career & Technical Education Programs

## Career Planning & Student Development Program

### Career Planning & Student Development Program

The program enables students to develop the basic skills, competencies, and knowledge required by employers for success in the contemporary workplace.

This program will also enable students to make a seamless transition into a credit course or program.

**HSDP 5480 CAREER PLANNING AND STUDENT DEVELOPMENT**

**HSDP 5470 JOB PLACEMENT PREPARATION**

Certificate Program
