

Immediate Job Opening Speech-Language Pathology Assistants

(Full-Time/Part-Time, Pediatric Through Adolescents)

**We Offer Opportunities Working With Children
In A Multi-Disciplinary Team Setting
In Our Santa Clarita Valley & Antelope Valley Offices**

Our multi-disciplinary team includes speech-language pathologists, occupational therapists, early interventionists and other professionals in various settings, working with a vast array of communication disorders. Our clinics are training sites for USC's Occupational Therapy Department, CSUN's Communicative Disorders and Sciences Department, UCLA's Social Communication Program and the State of California's Mentor Teachers Program. Community Therapies is a non-public agency.
