

WAITING LIST SIGN UP

The PCC Flea Market is known primarily for antiques and collectibles. Shoppers can find merchandise ranging from high-end antiques all the way to rummage sale items. This is **NOT** a market for new products; traditionally, it has been a venue for selling old and used products.

Wait-Listed vendors are moved from the list into vending spaces based on their seniority on the waiting list and/or other considerations, which may be made by the PCC Flea Market.

Waiting list sign-up is limited to one application per vendor. There can be up to two (2) vendors per waiting list sign-up. Please note that the PCC Flea Market Policy provides that vendors shall not be permitted to hold more than one of contiguous parking spaces.

I understand that I will only be allowed to refuse a space once; upon a second refusal my name will be taken off the waiting list _____(Initial). I further understand that it is my responsibility to inform the PCC Flea Market of changes in my person information and that if I do not respond to when a space is available my name will be taken off the wait list____(Initial). I understand that there is an undetermined waiting period _____ (Initial).
