

1. Go to www.turnitin.com
2. **First time users, DO NOT login. Click on "New Users."**

English Login Page Forgot Your Password? **New Users**

E-Mail: Password: **Login**

3. **Create your user Profile:** Begin by selecting User Type: **Student** and click NEXT.

User Type > Class ID > Email > Password > Secret Question > Name > User Agreement > Finish

1. User Type

Please select whether you will be using the service as an instructor or a student.

are you a student or instructor? *

next

4. **You will need the class ID number and password** from your instructor to complete the next part of the profile. (Check with your instructor for the ID and password.)
Note: If you have already registered with Turnitin.com at PCC, the system will prompt you and you can add a new class ID number and password for a new class.
5. **Email and Password** – You will need to enter your personal email address and then a personal password that must contain at least one letter and one number (Remember your password!) You will use this personal password to login to Turnitin.com.
6. Continue to follow the steps to complete the User Profile. Read the User agreement and click "I agree and create profile."
7. When you reach "Finish," click on "**end wizard and log in.**" You can now submit assignments or even add another class.

All Users: Login to Submit an Assignment to Turnitin.com. Your "homepage" lists all classes you have added. Click on the appropriate class and then on the assignment you want to submit.

1. Type in the title of your assignment/paper in the text box next to "submission title:"
2. Select "file upload" or "cut & paste" from the pull-down menu next to "submit a paper by:"
3. After you submit your paper, a **digital receipt** will be shown and also e-mailed to you.

NOTE: Turnitin.com does not grade your work. It compares your work to a digital database of sources and creates an **Originality Report**.

File Upload:

Click **Choose File** to locate your file. Be sure that you have chosen the correct file. Also, **note the types of document files accepted**. To upload, click **submit**.

Cut & Paste:

Open the file on your computer. Select the text and copy it; then return to the Turnitin.com window and paste your text into the text box in the submission form. Click **submit**.
